The screenshot displays the Football Manager 2015 interface for Ecuador's Senior Squad. The top navigation bar includes 'Overview', 'Team', 'Player', 'Set Pieces', 'Penalties', 'Captains', and 'Shouts'. The main area is divided into a 'Starting Tactic' section on the left and a 'Copy of Assistant Reports' table in the center. The 'Starting Tactic' section shows a 4-5-1 formation with various tactical options like 'Familiarity' and 'Backup Tactics'. The 'Copy of Assistant Reports' table lists players with their positions, roles, and abilities. On the right, a tactical diagram shows the 4-5-1 formation on a pitch, with player names and their respective positions. The 'Substitutes' section on the far right shows a list of available substitutes.
